

YOU WILL SEE THE SAVINGS.

VisionChoice® is an eyecare savings plan designed to save members money on a wide array of vision products and services! VisionChoice® eliminates eyecare sticker shock because participating providers have agreed to offer their services at prices considerably lower than their normal fees.

Benefits at a Glance

- No plan limitations so you can use the plan as often as you want.
- No waiting periods so you can use the plan as soon as you join.
- No claim forms to file so you save time and money.
- No deductibles to meet before using the plan.
- No extra cost for scratch resistant and UV coatings.
- Save up to 61% off the retail price for eyewear so buying a second pair is easy.
- Discounts on vision laser correction when performed by a participating specialty provider.
- 20% discount off contact lens fittings, training and follow-up appointments.

Participating Providers

Members must use a participating VisionChoice® Provider to receive benefits. To locate a Provider, visit our website at www.aeabenefits.com or call our Member Services toll free number at (866) 322-2244.

Eligibility

If family coverage is selected, all active and family members, i.e., spouse, significant other, child, parent, or parent in-law residing in the member's household are eligible.

Claim Forms

There are no claim forms to complete because VisionChoice® is not a costly insurance vision plan!

Group Size

The plan is available to groups with 3 or more employees. Groups with fewer than 10 members are required to pay monthly via Electronic Funds Transfer (EFT).

Monthly Plan Cost

Free to AEA, Student AEA and AERA (retired) members.

Working for great public schools.
